WASHINGTON.

—It is probable that Drew Hodge will be appointed Register of the Salina, Kas., Land office.

—The Senate Naval Affairs Committee recommended on the 11th the rejection of the nomination of Lieutenant Schenck for Captain and Assistant Quarter Master in the Marine Corps, on the ground that it is an act of unwarranted favoritism, as it proposes to jump thirty or thirty-five senior officers.

The Senate Joint Resolution passed authorizing the Secretary of the Navy to employ a naval vessel or charter a ship for the purpose of transporting to the famine-stricken poor of Ireland such contributions as may be made for their relief.—Counsel for defendant, in the action for breach of promise brought by Miss Horton against Senator Morgan's son whom she shot some weeks since, having filed a number of Lury's love letters written to Congressman Shelly, wherein she accuses him of her seduction and demands money with which to conceal her shame. Gen. Shelly's deposition is also filed, in which he pronounces them as attempts at blackmail. If the letters are genuine, of which there can be no doubt, it puts a new phase upon the scandal and transfers all sympathy from Miss Horton to young Morgan, against whom she is striving to get judgment for the same offense that she has charged Gen. Shelly.

—The Inter State Commerce Committee of the 12th a topped Representative Henderson's bill as a substitute for the Ryan bill. It provides for a board of Commissioners with powers and duties similar to those proposed by the McCord bill, and the Charles Francis Adams plan. One of the amendments extends the jurisdiction of the commissioners over the transportation of all property by railroad from one State or territory into or through another. Another amendment, adopted on motion of Hille, requires the commission to inquire into that method of result of their inquiry in their first annual report, and whether in their judgment any, and if so what, legislation is expedient in relation thereto.

By the bill discriminations and rebates are forbidden. Henderson's bill was adopted by a vote of 5 yeas to 4 nays. The bill was ordered to the House with the request that an early day be assigned its consideration. The last section of the bill appropriates \$25,000 for carrying into effect its provisions from the date of enactment to June 30, 1881, and provides that no pending litigation between railroad companies shall in any way be affected by the provisions of the act.

—Ex-Governor Seymour offers wine to his guests but takes none himself. It is related that at the time of the Maine law excitement in New York, when he as Governor vetoed the prohibitory bill, oaks of fine liquor and tins of choice wines were sent to him from all quarters by his admirers. He thus has a cellar full of rare old vintages which he dispenses to his callers but never touches himself.
